

Strategic Goals

RedR International Vision

A world in which sufficient competent and committed personnel are available and responding to humanitarian needs.

RedR Australia Vision

A world in which competent and committed personnel are available and responding to humanitarian needs before, during and after conflict and crises.

Mission

Build resilience and relieve suffering in times of international humanitarian crisis and conflict.

Goal 1: Relieve suffering and build resilience

- 1.1 The humanitarian roster is the trusted choice for humanitarian expertise
- 1.2 Be a humanitarian training partner of choice
- 1.3 Collaborate to optimise our own and our partners' capability profile

Goal 2: Increase our impact

- 2.1 Build robust and innovative partnerships
- 2.2 Strengthen the quality and influence of humanitarian action
- 2.3 Be an agile and responsive partner

Goal 3: Accountable and fit-for-purpose

- 3.1 Live our vision and values
- 3.2 Be accountable to affected populations and stakeholders
- 3.3 Be an exemplar in governance and compliance
