DRM

With FAO **Timor-Leste**, **Marina** is building agriculture Disaster Risk Management (DRM) and Climate Change Adaptation (CCA) capacity. In supporting the response to recent floods, Marina has also been improving operational efficiencies and supported the National Disaster Operation Centre with database management and provided situation reports.

COVID-19

On COVID-19 response, **Sharin** is providing critical support to the Surveillance and Emergency Unit within the **Vanuatu** Ministry of Health. Sharin is compiling provincial public health emergency response handbooks and importantly, supporting Emergency Operations Centres to identify and source medical supplies.

Disability

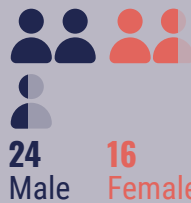

Mel is strengthening the focus on Disability and Gender Inclusion in **Somalia**, through her role as a Protection Advisor with OCHA. She has developed disability inclusion training and materials for clusters, and ensured the 2021 Humanitarian Needs Overview (HNO) and Humanitarian Response Plan (HRP) reflect disability and gender inclusion priorities.

Localisation

With UN Women **Jordan**, **MEAL** Specialist **Kylie** is conducting in-depth research to support the development of a national localisation framework template. Kylie's work is helping ensure progress towards achieving localisation goals and objectives can be measured and reported.

Gender

Prevention of Sexual Exploitation and Abuse (PSEA) Coordinator **Sutapa**, has been building PSEA and Gender-Based Violence (GBV) awareness and response with UNFPA in **Fiji**. Supporting TC Yasa response, she has prepared PSEA and GBV prevention information for clusters and facilitated increased GBV considerations in key needs assessment templates.
