“[Deployee] advised me on the process for submission to Cabinet for the National Disaster Act. She has been able to mainstream the Act. Climate Change is a part of the Act now as a result of her work.”

— MS. MANRONGO KARARAONNONG, STATE ATTORNEY,  
OFFICE OF THE ATTORNEY GENERAL, KIRIBATI

An Australia Assists Shelter Officer with UNHCR Bangladesh reduced landslide risks during monsoon season in the largest Rohingya refugee settlement, by training 300 community members to communicate local landslide risks to the refugee population, and producing landslide susceptibility maps.
