

# Australia Assists Deployments

Snapshot at 16 November 2020

## DRM

DRM Specialist, **Philippe**, is seconded to the Ministry of Agriculture in **Fiji** where he has supported the establishment of a Climate and Disaster Risk Reduction Unit, and has facilitated food and nutrition security consultations with farmers, market traders, exporters and other stakeholders that have been directly impacted by COVID-19 in the Fiji food system.

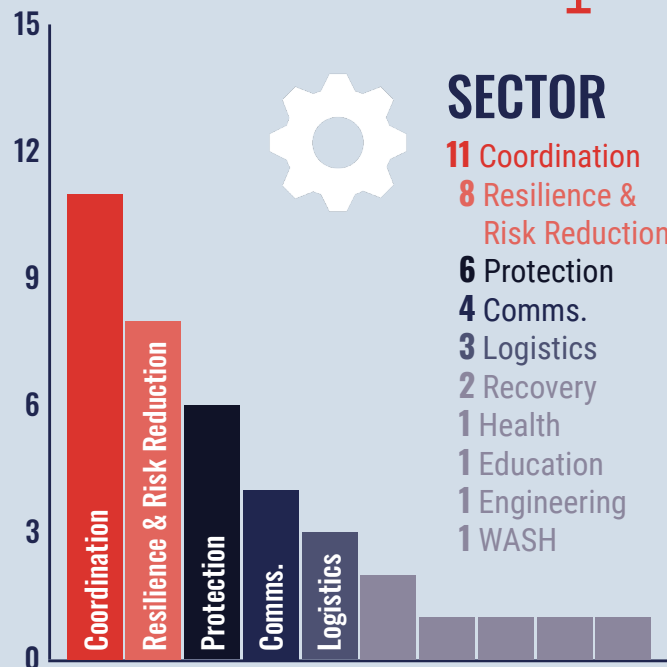

## Food Security

**Rowan**, Food Security Cluster Information Management Officer at WFP in **Fiji**, has been remotely monitoring the impact of COVID-19 on food security across the Pacific. Rowan advocated for the inclusion of vulnerability monitoring to focus on gender, disability, and minority concerns, and his interactive dashboards help with important decision making in the region.

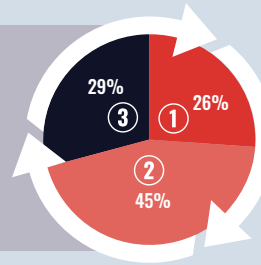

## COVID-19

**Dale** has been deployed to Cox's Bazar, **Bangladesh** to support IOM with clinical care in COVID-19 treatment centres, to help strengthen the COVID-19 health program, and to build the capacity of IOM's COVID-19 response medical team.

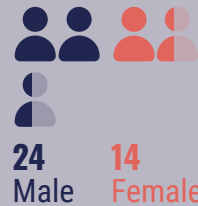

## Across the Disaster Cycle

1. Stability, Resilience & Risk Reduction
2. Crisis Preparedness & Response
3. Stabilisation, Recovery & Reconstruction

## Gender

**Jessica**, is providing remote support as a Women, Peace and Security (WPS) Advisor with UN Women, **Myanmar**, where she has provided inputs to a handbook on training women peace activists in Myanmar and a WPS Gender Leadership Program curriculum targeting government officials.

\*FY20: 56% Male, 44% Female (total 108 deployments).

**38** deployees

**18** supporting the Pacific

**16** on Emergency Preparedness

**11** in Coordination roles
